Order of December 19, 1949

Cryptogams, bacteria and viruses.

Maladie a virus du dahlia, virus disease of dahlia.

IMPORTATION OF DAHLIA RESTRICTED

Order of December 29, 1949

The importation into France from all foreign countries of dahlia tubers and cuttings is dependent upon the presentation of a certificate of control as to selection and phytopathological inspection, to be furnished by the official authorities of the country of origin, attesting specifically that the products originated exclusively from selected stock and are free from virus diseases.

A handwritten signature in dark ink, appearing to read 'Avery S. Hoyt', with a stylized flourish at the end.

Acting Chief, Bureau of Entomology and Plant Quarantine
